

Jazz Collection: Don Byas (W)

Samstag, 12. Januar 2013, 22.00 - 24.00 Uhr

Er kommt anfangs der 40er Jahre als Nachfolger des grossen Lester Young in die Band von Count Basie, weil er mit seinem mächtigen Sound und seinen flinken Fingern den Swing und den Bebop gleichermassen bedienen kann, und dieser Ritterschlag des Count macht Don Byas zu einem gesuchten Mann. Nach dem Krieg zieht es ihn dann aber als einen der ersten nach Europa, wo er zwar von Beginn weg bejubelt wird und als Balladen-Interpret die Frauenherzen schmelzen lässt. Nur: so frenetisch er in der alten Welt gefeiert wird, in Amerika gerät Don Byas unweigerlich in Vergessenheit. Die Saxophonistin Nicole Johänntgen ist Gast von Jodok Hess
