

## Late Night Jazz: America the Beautiful!

**Samstag, 09. September 2017, 22.05 - 24.00 Uhr SRF 2 Kultur**

Trotz 9/11, trotz eines merkwürdigen Präsidenten, trotz vielem, was wir Europäer an den USA schlecht verstehen sind die Vereinigten Staaten ein unglaubliches Land: Mit zwei Ozeanen, ehrfurchtgebietenden Bergen und unendlichen Weiten, mit brodelnden Metropolen und langweiligen Vorstädten, mit kultureller Einöde und überbordendem Leben, mit Gegensätzen so viel man will. Die Songschreiber haben es immer gewusst und ihre Faszination in Lieder gepackt!
