

Late Night Jazz: Thelonious Monk

Samstag, 04. November 2017, 22.05 - 24.00 Uhr

Thelonious Monk (1917 – 1982) ist ein Koloss in der Jazzlandschaft. Nicht nur als Pianist hat er einen völlig eigenen Stil geschaffen, vor allem als Komponist hat er Stücke geschrieben, die anders waren als alles vorher. Trotz ihrer zuweilen kryptischen Melodien und der schwierigen Harmonien nehmen Musiker und Sängerinnen diese Stück immer wieder auf. Zwei Stunden zu Thelonious Monks 100. Geburtstag
