

Late Night Jazz – Monate + Jahreszeiten

Samstag, 07. Juli 2018 22.05 – 24.00 SRF 2 Kultur

Natürlich sind es zumeist Liebeslieder, die in Late Night Jazz den Ton angeben, und natürlich ist die Liebe saisonunabhängig. Trotzdem aber spielt es eine Rolle, ob Liebende sich in einer kalten Winternacht gegenseitig warm geben, oder ob sie an einem lauen Sommerabend durch den Duft von Lindenblüten lustwandeln. Und: Weshalb so viele Songs den April und den September besingen, und kein einziger den Januar, ist auch ein Rätsel. Themen genug also für zwei Stunden schöne Musik!
