

## Late Night Jazz – Wetterlage: Jazzy

Samstag, 23. März 2019 22.05 – 24.00 SRF 2 Kultur

Am 23. März ist jeweils Weltwettertag. Der World Meteorological Day erinnert daran, dass seit nunmehr 69 Jahren die Weltorganisation für Meteorologie mit ihrem weltweiten Datensammelnetz die Wetterprognosen erleichtert. Wir driften folglich durch alle Stimmungs- und Wetterlagen der Jazz-Standards vom «Stormy Monday» über «Raincheck» bis auf die «Sunny Side of the Street».
