Why rain?
And clouds too?
And clouds too?
Why in the evening,
you fall asleep in my bed?
you fall asleep in my bed?
Why do we sleep,
so far away from the family,
in another country?
Why death,
comes after life?

I give up

Why do we run,
without ever stopping?
without ever stopping?
Why do we pray,
everyone alone?
everyone alone?
Why am I,
a stranger here?
a stranger over there?
Why my son,
grows up without summer?
grows up without summer?

I give up
