Flirt English (2. Staffel)

6. Fireworks & Farewells

10:00 Minuten

Scene 1 00:00-01:21

Lily is on Skype chatting to Holly and Hannes.

Lily: So you've only got a couple of weeks left then – how do you feel about that?

Hannes: It's a bit weird really. Now that we are all getting on so well.

Lily: And what's Nino up to? You said he was disappearing every evening?

Hannes: I don't know. He usually tells me everything! But he just says he's busy.

Lily: We all have our little secrets, don't we?

Holly: Are you going to make it back in time to meet us?

Lily: I don't know yet, love. Things are still a bit up in the air.

Holly: Up in the air – that's good for our virtual landlady!

Lily: But there's nothing wrong with that. I can be with you there in my kitchen from anywhere in the world.

Hannes: Lily, you do really like computers, don't you?

Lily: Of course I do. That's why I run all these silver surfers clubs – for all the oldies out there who are scared about computers. I show them the world's their oyster at the click of a mouse!

The three of them laugh, but Hannes looks a bit confused.

Scene 2 01:21-02:11

Later on the beach.

Hannes: What was that about an oyster and a mouse?

Holly: It's just an expression. It means you can do anything you want and go anywhere you want if you can use a computer. Just like you.

Hannes: And you can go anywhere in the world and teach English too.

Holly: But you're going back to Germany and I'm going to the English language school in London.

Hannes: So we can still keep in touch by phone or computer.

Holly: There are some cheap flights and I should be earning some money.

Scene 3 02:11-02:48

Elizabeth and the vintage shop owner, Sally, are sitting in her living room with a couple of suitcases of clothes, having a coffee.

Sally: Well, I'm really impressed with everything you've shown me. I'd need you to supply me with 100 pieces every month.

Elizabeth: 100 pieces every month?

Sally: Mostly women's clothes, but I think we should talk about men's stuff too. You know hats, briefcases, shoes?

Elizabeth: Vintage leather jackets could be a big seller.

Sally: That's it, you're on the right track. Now, I'll pay you for the pieces and I'll pay you a retainer of £150 per week and cover your expenses. How does that sound?

Elizabeth: Fantastic! When do I start?

Scene 4 *Nino is at the gym and the manager of the gym is congratulating him.*
02:48-03:20

Manager: Congratulations, Nino. You passed your personal training exams with distinction.

Nino: Well, I worked really hard.

Manager: I thought you'd be out partying with your mates. But no, you were in here at night working.

Nino: This is an important job and I wanted to do well.

Manager: So, if you sign up for the next level exam I can offer you a year's contract and you can start taking personal training clients.

Scene 5 *Back at the house Hannes and Holly are messing around and preparing the party. Elizabeth comes dashing through the door.*
03:20-04:40

Elizabeth: I've done it, I've done it. It's amazing.

Nino comes dashing through the door.

Nino: How did you know?

Holly: Know what?

Hannes: What is amazing?

Elizabeth: I'm going to be a famous fashion buyer and a designer too.

Nino: And I'm going to be a personal trainer to the stars.

Holly: Guys, slow down. Elz first, what happened?

Elizabeth: Well, I had the meeting with Sally and she offered me a job as a freelance buyer and she's going to take some of my customized clothing too.

Nino: Ich habe das erste Examen für den Trainerschein.

Elizabeth: English, Nino. What's going on?

Nino: I had top marks in the personal training exam and the manager offered me a 1-year contract if I do the next exam.

He flings his arms round Elizabeth again.

Elizabeth: All this hugging stuff. But that's fantastic. So it's all sorted, I'm going to be a famous fashion buyer, Nino will be a personal trainer to the stars, Holly will be teaching English in London and Hannes will be doing his course in Germany. It's all working out. So there's just one thing left to do. Party!!!!!!!!!!!!!!

Scene 6 *Holly is in the garden doing karate and Elizabeth is hugging a cup of coffee.*
04:40-05:58

Elizabeth: I don't know how you do this in this weather. It's freezing.

Holly: It helps me think.

Elizabeth: And what have you got to think about – as if I needed to ask! Holly! Hey, what's going on?

Holly: I'm applying for a job to teach English in Düsseldorf to be nearer Hannes.

Elizabeth: Dusseldorf?

Holly: I know it's...

Elizabeth: It's huge.

Flirt English (2. Staffel): 6. Fireworks & Farewells

Holly: Probably the biggest decision of my life.
Elizabeth: Wow. You must really like this guy.
Holly: Yeah. Elz, I really like him.
Elizabeth: Well, if it makes you happy, do it. Go for it.
Holly: Ok. But don't tell the boys. I want it to be a surprise if I get it. I should know by the party.
Elizabeth: Holz, if you go, I'm going to really miss you.
Holly: I'm going to miss you.

Scene 7
05:58-06:42

The boys are shopping for food in the supermarket.

Nino: Was ist jetzt eigentlich mit dir und Holly? Ich meine, du in Köln, sie in London – wird doch alles total schwierig werden.
Hannes: Na ja, ich hab mich in London an der Uni beworben. Dann wären wir schon mal in derselben Stadt. Und wer weiß... vielleicht, eines Tages... irgendwann... können wir dann auch sogar zusammenziehen. Also wenn sie will...
Nino: Versteh schon. Du alter Romantiker!
Hannes: Aber sag ihr nichts davon. Ich will sie am Samstag bei der Party damit überraschen.

Scene 8
06:42-07:10

Hannes and Phil bump into each other as they come out of their houses.

Phil: Hi, Hannes. Have you heard from Lily? She hasn't been in touch for days.
Hannes: No, we haven't heard from her either. Do you think she's ok?
Phil: Yeah, she's probably fine.
Hannes: Is your girlfriend coming to the party tonight?
Phil: Yes. She's getting the train down from London after work. I'm really going to miss you guys. You've been Lily's best students ever. Anyway, I'll see you at the party tonight.
Hannes: Right.

Scene 9
07:10-10:00

The party is in full flow. The manager from the gym is there, Phil and his girlfriend and a few other people. A taxi rolls up; the doorbell rings and Nino goes to answer the door.

Hannes: I think we should have a drink. Who wants what?
Lily: Hi, Nino.
Nino: Lily!! We're having a party, but we're not making a huge mess.
Lily: A party – fantastic, but where's my drink? Hi, Hannes, it's lovely to meet you in person and Holly, you're even prettier in real life and Elz, I just love that dress!
Lily: So what's the plan then? Elz and Nino, are you two going to be staying on with me a bit longer then?
Nino: If you don't mind, Lily. I have a proper job and everything now and I'm very tidy.
Elizabeth: Now I've trained you up!
Lily: And what about you two?
Hannes: This is a surprise for you. I am going to be doing a course at London University. Holly, I want to be with you.

Holly: Oh no!

Hannes: What...?

Holly: I've got a job in Düsseldorf! So I can be with you!

Elizabeth: And I thought you two were meant to be good at communication!

Nino: Don't worry. In the morning I'm going to make you a nice cup of tea and I will sort everything. I'm good at organizing!

Elizabeth/ Hannes/ Holly: Oh, no!

The four of them have a big hug. Lily and Phil chink their glasses.
