

Late Night Jazz: Paris

Samstag, 13. Mai 2017, 22.05 - 24.00 Uhr

Woran liegt es, dass kaum eine Stadt so oft besungen wird wie Paris? Weil Paris die Stadt der Liebe ist? Wegen der wunderbaren Boulevards oder der Seine mit ihren Bateaux Mouches? Dem Canal Saint Martin beim Hotel du Nord? Wegen der Champs-Élysées oder doch eher der verwinkelten Gassen im Marais wegen? Wegen Touristenmagneten wie dem Eiffelturm und der Sacré Coeur? Wahrscheinlich liegt es an der Magie, die all das erzeugt; Paris ist nicht irgendeine Stadt, sondern eben – Paris!
