

Late Night Jazz: Remembering Johnny Mandel

25.07.20 22:06-24:00 Uhr

Er wurde 94 Jahre alt, und sein Werkverzeichnis würde ein mittleres Telefonbuch füllen. Johnny Mandel gehört zu den ganz grossen Arrangeuren zwischen Swing und Pop, seine Kompositionen begleiteten Filme und Serien wie M*A*S*H, seine Arrangements für das Album «Unforgettable» brachten Natalie Cole in die Hitparade. Und seine Songs sind unterdessen Jazz-Standards, z.B. «The Shadow of Your Smile». 2 Stunden lang erinnern wir an einen Meister seines Fachs, gestorben am 29. Juni 2020.
